## Versatility of Attack Expected to Win Game For Yale Over Tigers

Blue Ribbon Event in Princeton's Schedule Finds Blue Favorite. But All Bets Are Covered—Both All-American Captains Face Each Other in the Rush Line.

PRINCETON, N. J., Nov. 14.—Princeton vs. Yale, the blue ribbon event of the year for the Orange and Black, is on for today. Up to game time the Elis ruled favorites, though there were plenty of takers willing to back the Tigers.

Yale expects to win today by greater versatility of attack. The blue backfield has been the main strength of the team all season, and with Alec Wilson running the eleven, Yale can see nothing but feature plays by Le Gore, Knowles, and Ainsworth. Opposed to Yale is an ever-stiffening defense, Princeton having shown this in all games this season. Harvard alone was able to run at will through the line.

Physically, Yale is the bigger. From tackle to tackle the Elis outweigh their opponents from ten pounds to forty-five pounds. Nevertheless, it is generally conceded that Princeton has the better material, particularly in the line. Yale will probably show better coaching.

Yale's backfield is one of the best in years at New Haven. LeGore's running and line-plunging has featured every game he has played. Knowles is also a sturdy runner, while Ainsworth can hold his own on straight plunges. Wilson can run, pass, punt, tackle, and interfere better than any quarter-back in the East.

Princeton's backfield sets are heavier and stronger, but not so brilliant. Law and Briggs are excellent punters, but not better than LeGore, Knowles or Guernsey, the Yale kickers. Ames at quarter does not compare with Wilson.

Yale's forwards are better balanced, the greater weight being bunched in the center trio. Furthermore, the Elis line is tough on offense, being quick on the charge and very hard to stop when once started.

The struggle between the two captains, Talbott and Ballin, is going to be well worth seeing. Both were all-American selections last season, and they are playing brilliant football this year.

Yale has been defeated once this season, Washington and Jefferson turning the trick. Princeton has been defeated by Harvard, and held to a tie by Williams. Following are the records of the two eleven for this season:

Princeton—Princeton, 12; Rutgers, 0; Princeton, 10; Bucknell, 0; Princeton, 12; Syracuse, 7; Princeton, 16; Lafayette, 0; Princeton, 12; Dartmouth, 12; Princeton, 7; Williams, 7; Princeton, 0; Harvard, 20.

## Western Celebrates Scoreless Clash With Central's Husky School Eleven

O Streeters' Hoodoo Still Pursues Them When Opposed to the Red and White.

By BRYAN MORSE.

Although failing to win from Central in the annual clash at Varsity Park yesterday, Western is today celebrating a scoreless tie gained when the Red and White players were conceded little chance of anything but an overwhelming defeat.

The hoodoo which has pursued Central ever since its defeat by the Red and White followed the Blue players throughout the game, although in actual play the Westerners had something on the Central players in defense and in the offense. At the very start of the second quarter Central went down to Western's 25-yard line when Macdonald failed an easy goal. In the same period Western had a chance to score, Fuller failing to grab a fumble punt with the goal line but ten yards away.

With the ball almost up, O'Brien tried for a goal from placement, which failed. Try as they would, the Central eleven could not get the ball out of danger, and Whelch tried a drop kick which failed as time was called.

In the second half both teams played a rushing game, although neither could gain ground. Western's backfield was unable to gain the ends or make distance through the Central line, and while tried out the kicking game, Peck being long punts while Roberts and Macdonald vainly chased them to find the waiting Western ends, Mackall and White, on top of them.

Central, in turn, was unable to make any headway around the Red and White ends, and could gain little through the line. Time and again Grayson and Matthews, the Western tackle, broke up Central's plays, while Hume and Giffin stopped the line striking. For Central Richards, Stokes and White played well in the line, there being little to choose between the sets of forwards. Western showing more aggressiveness, if anything.

Shift plays slowly executed by Central's heavy line were successfully met by the Western forwards, who seemed to be playing up to form for the first time this season. Central tried several forward passes, as did Western, neither team, however, making good in any way with the pass.

That Central escaped without a beating by a drop-kick or place kick is a bookend as Western was the better team in the game to start and it was a well-earned stage fright, far be it from him to get a score, but you see the big first underhand a word of Greek, so the bell saved him that time.

Konechky is one of the timeliest bats on the team, although, like other strikers, he has fallen off in his stick work the past season, still the pitcher do not like to see him come to the bat, eyes with nose on.

indeed, a kicking game, with the advantage all in favor of Peck, who was ably backed by Whelch, the Red and White quarter who nicely judged Macdonald's kicks.

Central gained the advantage at the start by setting the wind behind the players, but was kept on the defensive during the first quarter. Roberts failing to take advantage of the breeze behind him. At the very start of the second quarter Central went down to Western's 25-yard line when Macdonald failed an easy goal. In the same period Western had a chance to score, Fuller failing to grab a fumble punt with the goal line but ten yards away.

"Dutch" Peck Shows Marvelous Punting Ability, Doing Much for His Outfit.

Guire, of Harvard, Assistant line-men—Moore, Assner, of Central, and Stearns, of Western. Time of periods—10 minutes each.

With "Dutch" Peck in the earlier games, Western might have had a chance to win over at least two of the other schools. The youngster's defense work was of the best. Neither team had an attack worthy of the name, so keen were the forwards to get into the conflict.

Whelch used his head at all times when Macdonald kicked, allowing ball to either roll over the goal line for a touchback or making sure of his catch for a few yards' gallop back. Central's ends, Saxon, Belcher, and Wirt, were usually on the job.

Lawrence Grayson, Western's right tackle, was in the game on line play, as was Tom Hume, a new line-man at Western, who shows great promise for next season.

"It is history repeating itself," said Principal Emory Wilson, of Central, after the game. "Western is always our hoodoo in football."

Few expected the Red and White team to make the showing it did, and Central was sure of a big score before the game started. It required but a few minutes to show that Western was going to put up the stoutest sort of opposition.

Those dopsters who have the score made are trying to figure out how Central beat Business and held Tech to a single touchdown, while Western was outplayed soundly by Tech, Business, and Eastern.

Coach Kimble, of Eastern, who was on the sidelines getting a line on the game, who alternated at center for Central team, declared the battle would be a tie before the first quarter was over.

Atherton, the Central center, suffered somewhat in comparison to Giffin and Hume, who alternated at center for Western. The whole Central line appeared less capable than in other games. Certain it is that had Western played against Tech in the same manner that

## PENN MAY SURPRISE DARTMOUTH ELEVEN

However, Hanoverians Are Pronounced Favorites to Defeat Quakers Today.

PHILADELPHIA, Nov. 14.—Penn expects to spring a few tricks on Dartmouth today and hopes to make a good showing against the powerful eleven from New Hampshire. However, the Hanoverians are favorites to win.

"Penn is prepared to make a desperate struggle," said Coach Brooks today. "The players have recovered from their licking at Ann Arbor, and should make Dartmouth show all it has the way of playing."

"Dartmouth expects the hardest game of the year today," said Coach Cavanaugh, in charge of the Hanoverians. "However, every man starting the game is in perfect condition, and ought to be able to play through."

The greatest battle is expected between Dorcas and Spears. The Quaker is the intercollegiate heavyweight champion wrestler, and the strongest man playing football today. Weighing 220 pounds, he is opposed to a 250-pounder in the Dartmouth guard.

Dartmouth's backfield should prove the feature of the contest. Captain Whitney and Curtis, the crack punter, will both be in the game, while Ghe, the flashy quarterback, is expected to thrill the crowd with his running back of punts.

The teams will line-up as follows:  
Penn. Positions. Dartmouth.

Here's the Dope  
Yale should defeat Princeton in thrilling contest by small score. Dartmouth should swamp Penn. Michigan should defeat Cornell by small score. Virginia should win from Swarthmore by fair margin. Army should win, but Colby may defeat Navy. Notre Dame has edge on Carlisle. W. and L. should be victorious. W. and J. on record has a snap. Harvard won't be pushed much. Syracuse ought to defeat Colgate. Pitt, North Carolina, Lehigh, and Exeter should have little or no trouble in winning.

King Cole Wins Game.  
LOS ANGELES, Nov. 14.—King Cole, the Yankee pitcher, upset the All-National yesterday, winning his game at Grover Cleveland Alexander's expense for the National League.

## GREAT INTEREST IN NAVY'S GAME TODAY

Army Puts Patched-Up Team on Field Against Maine and Small Score May Result.

ANNAPOLIS, Md., Nov. 14.—Interest in today's game between the Midway and Colby, the Maine champions, is intense. Coach Howard says he will use all his best men against the Maine athletes, but will run no risks of injuring any of them. The line-up will be: Left end, Captain Overesch; left tackle, Kennedy; left guard, R. L. Jones; center, Perry; right guard, G. L. right tackle, Schlossbach; right end, Jackson; left halfback, Miller; left halfback, Craig; right halfback, Hodgson; fullback, H. Harrison.

WEST POINT, N. Y., Nov. 14.—Captain Pritchard will not play against Maine today, being still too weak after his attack of tonsillitis. The line-up will also sit on the sidelines. With a patched-up team, the outlook is for a small score, and the Army is not at all certain of winning.

The Cadets will start the battle with McEwen at center, Herriot and Jones, guards; Larkin and Parker, tackles; Kelly and Tully, ends; Olinhart, quarterback; Mitchell and Van Fleet, halfbacks, and Coffin, fullback.

The "Big Train," as he is known by his fans, was sought after by both the Giants and Pirates last spring, with the result the latter team, by offering the best inducements, secured the big fellow to cover the important position the team has long been trying to fill to the satisfaction of the club owners and fans. Not since the days of Kitty Brandford have the Pirates had a player who could cover the bag like Konechky. Konechky was secured by Manager John McLaughlin, then managing St. Louis. The new player joined the team, replacing Jake Beckley. His first appearance with the St. Louis team was in a game with Cincinnati on June 23. At that time the reports were sent out that the new Cardinal first baseman was a Greek. As this was the first time that nation had ever had a player in the major leagues they decided to honor him rightfully. The next day St. Louis was scheduled to play in Pittsburgh. The local Greeks got busy. They hired a band and pur-

Western will probably play one or two more games before the season is over. The Red and White is the first of the school teams to close the championship series. No win has been registered in the title games, but the eleven has won three, last three, and tied two on the season's record.  
In figuring it all out Western players said they were really entitled to a victory. "It was Friday, the thirteenth," said Captain Giffin, "no wonder we were the same old hoodoo for Central."

may be construed into a boost for the boxing game.  
They cry hard times and prove it by paying \$300.00 to see Yale and Harvard and \$200.00 to watch Welsh and White fight, proving that hard times is confined to the 7 per cent boys.

Dope—Should the Athletics win the American League pennant next season (and why not?), we pick Joe Bush to pitch the first game and to win it by a shut-out. Clip this and save it against us. We figure the dope on what he is doing to the National All-Stars.

Remembering what Ban Johnson said about Frank Farrell when Frank first broke into the game, forces us to put a copper on what Ban Johnson now says about Frank Farrell.
